Make an Investment in GCM!
Participate in our 2010-2011 Annual Fund Drive

With a \$25 or more gift, a photograph of you and your family will be displayed on our new Annual Fund wall.

Admission prices to GCM provide only 18% of our annual operating expenses. We count on the kindness of our visitors to help us maintain the Museum, keep our prices low and offer scholarship opportunities for admission and camps.

Last year, through annual fund gifts, business sponsorships and foundation gifts, the Museum provided:

- 24,000 Scholarship Admissions
- 39 Family memberships
- 659 School Field Trip Scholarships
- 90 Summer Camp Scholarships

Garden News!

Brrr. . .it's so cold outside
But you can still visit the ESY!
Winter is a great garden season
Come outside and see all the reasons.

The pond is all frozen
The fish swim quite slow,
The chickens don't mind
if there's a bit of white snow.

The bugs have all gone
Down into the ground
To keep nice and warm
Until spring comes around.

Some plants stay alive
No matter the weather,
Others break down
To make our soil better.

Just like people
Animals get cold, too,
Find our Hibernation Station
To get warm through and through.

So come on out
Although there's a chill,
Our winter garden
Will give you a thrill!
